

UNIVERSITÀ
DEGLI STUDI
DI PADOVA

Admission notice Academic Year 2017-2018

Selection open to candidates with a foreign degree
Second-cycle degree courses with open access and
requisites

School of Agricultural Sciences and Veterinary Medicine

- Biotechnology Applied To Food Security And Nutrition – only “Biotechnologies for food science”, curriculum completely held in English
- Forest science
- Italian Food and Wine
- Sustainable Agriculture

School of Economics and Political Sciences

- Business Administration
- Economics and Finance
- Entrepreneurship and Innovation
- Human Rights and Multi-level Governance

School of Engineering

- Environmental Engineering
- ICT for Internet and Multimedia

School of Human and Social Sciences and Cultural Heritage

- Local Development
-

1. ADMISSION REQUIREMENTS

To be eligible for admission¹, applicants are required to:

- 1) have earned a foreign degree, which the current legislation recognises equivalent to a first-cycle degree or to a three-year Italian *Diploma Universitario*, by **31st July 2017**;
- 2) meet specific curricular requirements and, in accordance with the provisions set forth in article 6, paragraph 2, of Ministerial Decree no. 270/2004, have an adequate educational background as further specified in the course information sheets provided for in annex 1
- 3) fill in and submit the online pre-enrolment application form (point 2 of this notice) by 12.00 local time (GMT + 1) of **26 April 2017**.

The assessment of curricular requirements and the evaluation of the candidates educational background will be carried out as outlined in the course information sheets provided for in annex 1. (pages 4-14).

2. ONLINE REGISTRATION, PRE-ENROLMENT AND DOCUMENTATION UPLOAD

2.1 Registration

To log on to the https://uniweb.unipd.it/Home.do?cod_lingua=eng portal, candidates with no credentials first need to register by going to <https://uniweb.unipd.it/AddressBook/ABStartProcessoRegAction.do>

At the end of the registration process each candidate will be emailed a username and activation code. The candidate will then need to go to <https://uniweb.unipd.it/password/index.php/en/utente/identifica/azione/a>, choose three security questions and set a password.

The candidate's username and password will then need to be used to log on to and access the registered area of the https://uniweb.unipd.it/Home.do?cod_lingua=eng portal.

2.2 Pre-enrolment application and documentation upload

The pre-enrolment application form must be filled in **from 6 February 2017 and by 12.00 local time (GMT + 1) of 26 April 2017** by logging on to the reserved area of the https://uniweb.unipd.it/Home.do?cod_lingua=eng portal.

After logging in, candidates need to click on *Home* → *Evaluation Test* → *Proceed with a new pre-enrolment* → *Pre-enrolment for unlimited places* → *Course Type: 'Second cycle degree'*, select the degree course they are interested in and proceed until final confirmation.

In order to ensure candidates have the necessary qualifications and to assess their preparation, they will be asked to **upload** the following documents:

- curriculum vitae written in English;
- transcript of records of their qualifications, preferably including ECTS statistics; for those countries in which it is issued, the Diploma Supplement can be uploaded in place of the transcript of records;
- any English language or other language certifications;
- copy of the residence permit to stay in Italy for non-EU citizens residing in Italy;

Activation of the first year of the degree courses depends on accreditation pursuant to Ministerial Decree 987 of 12/12/16 and until the minimum number of pre-enrolments is reached. If the degree courses are not accredited or the number of pre-enrolment applications is less than minimum number, the degree courses will not be activated. All information on course activation will be published at <http://www.unipd.it>

- copy of an ID document (ID card or passport);
- copy of the payment receipt for the € 30.00 pre-enrolment fee to be paid by bank transfer (see annex 2 – page 15).

Candidates will be required to submit further documents during the enrolment stage; detailed information is available at <http://www.unipd.it/en/how-apply> .

For further information or queries, candidates may **contact the University Call Centre, available from Monday to Friday, from 9 a.m. to 5 p.m. local time (GMT + 1) at 0039-0498273131 or write to imma.uniweb@unipd.it** .

Students with disability or specific learning disability (SLD) may contact the University Disability and Dyslexia Service (<http://www.unipd.it/en/students-special-needs>) to report any special needs they may have or to enquire about tuition fee reductions and services available for support in relation to class attendance.

3. PUBLICATION OF ASSESSMENT RESULTS

On **16 May 2017** assessment results will be made available at <http://www.unipd.it/en/assessment-results> as follows:

- 1- for EU and non-EU citizens legally staying in Italy in possession of a foreign qualification, assessment results will only be expressed in terms of eligibility (eligible/not eligible);
- 2- for candidates with a foreign degree and non-EU citizens residing abroad, assessment results will be equally expressed in terms of eligibility (eligible/not eligible); however, should the number of applications exceed the number of places available for enrolment, a merit list will also be published in which each candidate will be given an overall score based on the assessment of their career.

Admission is conditional on the verification of the qualifications claimed, on their actual awarding in case candidates have not obtained them yet, and on submission, on behalf of the candidates, of the documents listed at <http://www.unipd.it/en/how-apply> .

Along with assessment results, enrolment terms and conditions will also be published.

4. FURTHER INFORMATION, SCHOLARSHIPS AND FINANCIAL AID

Details of university fees, **financial aid**, and **scholarships**, with reference to the past academic year are available, for information purposes only, at

<http://www.unipd.it/en/tuition-fees-scholarships-tax-relief-schemes>. Updated information for the academic year 2017/2018 will be made available soon.

Further information on our privacy policy and regulations in place for enrolments are available at <http://www.unipd.it/en/how-apply> .

Any amendments or additions to the content of this admission notice will be published on the University web pages at <http://www.unipd.it/en/how-apply>.

Current regulations in place apply in relation to any issues not expressly addressed in this admission notice.

Padova, 30/01/2017

The Rector
Prof. Rosario Rizzuto

ANNEX 1 – DEGREE COURSE INFORMATION SHEETS

**SCHOOL OF AGRICULTURAL SCIENCES AND VETERINARY
MEDICINE
SECOND-CYCLE DEGREE COURSE in
'BIOTECHNOLOGY APPLIED TO FOOD SECURITY AND
NUTRITION'
only "Biotechnologies for food science", curriculum
completely held in English**

Available places

- open access with requisites for EU and non-EU citizens legally staying in Italy;
- 30 places available for non-EU citizens residing abroad; of these, 1 place is reserved for Chinese students on the Marco Polo Programme.

Curricular requirements and adequate educational background

Applicants are expected to meet specific curricular requirements and have specific skills and abilities in:

- ✓biological systems, from a molecular and cellular point of view;
- ✓biotechnology for the production of goods and services through the analysis and use of biological systems;
- ✓scientific method and its application to concrete situations and adequate knowledge of ethical regulations and issues.

English language at a B2 level as per the Common European Framework of Reference for Languages (CEFR) - o corresponding level (e.g. Academic IELTS or TOEFL/IBT) is required. If the candidate is an English mother tongue speaker or has attended their upper secondary school or a degree course in English, no language certification is necessary.

Admission to the second-cycle degree course depends on preliminary assessment by the Teaching Commission of the candidate's reasons, knowledge and competences by means of an interview which may be conducted over the internet. In its assessment the Commission will take into account competences developed in the aforementioned disciplinary areas.

Should it not be possible to assess degree equivalence, foreign degree classification compared with the Italian standard and determine whether the requirements are met, the Commission will assess the candidate's overall curriculum.

At the end of the assessment process, the Commission will decide whether or not the candidate meets curricular requirements and has an adequate educational background; a merit list will be drawn up only for non-EU citizens residing abroad. This list will solely to be used in the event that the number of eligible candidates exceeds the number of places available.

Further information on the degree course at: www.unipd.it/en/biotecnologie-alimentazione

For general enquiries about the course, please contact:
biotechnologiesforfoodscience.bca@unipd.it

SCHOOL OF AGRICULTURAL SCIENCES AND VETERINARY MEDICINE SECOND-CYCLE DEGREE COURSE IN ENGLISH “FOREST SCIENCE - SCIENZE FORESTALI”

Available places

- open access with requisites for EU and non-EU citizens legally staying in Italy;
- 20 places available for non-EU citizens residing abroad; of these, 2 places are reserved for Chinese students on the Marco Polo Programme

Curricular requirements and adequate educational background

Applicants are expected to hold a degree (BSc or equivalent) which ensures:

1. adequate knowledge of the topics in agricultural and forest sciences; essential competencies in ecological, forestry, economic and technical areas for the sustainable management of natural resources and production processes and safeguarding of the territory; other kinds of educational curricula will be examined based on the documentation provided;
2. ability in disciplinary survey methods and in using the results of research and experimentation for professional purposes. Using the knowledge acquired to solve several concrete issues in the forest sector.

English language at a B2 level as per the Common European Framework of Reference for Languages (CEFR) - or corresponding level (e.g. Academic IELTS or TOEFL/IBT) is required. If the candidate is an English mother tongue speaker or has attended their upper secondary school or a degree course in English, no language certification is necessary.

Admission to the second-cycle degree course depends on preliminary assessment by the Teaching Commission of the candidate's reasons, knowledge and competences by means of an interview which may be conducted over the internet. In its assessment the Commission will take into account competences developed in the aforementioned disciplinary areas.

Should it not be possible to assess degree equivalence, foreign degree classification compared with the Italian standard and determine whether the requirements are met, the Commission will assess the candidate's overall curriculum.

At the end of the assessment process, the Commission will decide whether or not the candidate meets curricular requirements and has an adequate educational background; a merit list will be drawn up only for non-EU citizens residing abroad. This list will solely be used in the event that the number of eligible candidates exceeds the number of places available.

SCHOOL OF ECONOMICS AND POLITICAL SCIENCES SECOND-CYCLE DEGREE COURSE IN ENGLISH “HUMAN RIGHTS AND MULTI-LEVEL GOVERNANCE”

Available places

- open access (with requisites – see the section below) for EU and non-EU citizens legally residing in Italy;

- 56 places (with requisites – see the section below) available for non-EU citizens not residing in Italy; of these, 6 places are reserved for Chinese students of the Marco Polo Programme.

Please note that candidates with a non-Italian degree may only apply in the present selection call. Future calls may be published only for candidates possessing an Italian degree.

Curricular requisites and adequate educational background

Applicants are expected to hold a degree which ensures:

1) Competencies developed in the following disciplinary fields:

✓ Interdisciplinary subjects: Area of Historical, philosophical, pedagogical and psychological sciences and/or Area of economic and statistical sciences

✓ Law: Area of legal sciences

✓ Socio-political studies: Area of political and social sciences

2) Linguistic proficiency: reasonable command of French, Spanish or German, in addition to a very good command of English

3) Academic attainment: a degree classification equivalent to at least 100/110 in the Italian system.

Should it not be possible to properly assess the candidate's background in accordance with the curricular requisites set forth above, a Commission will decide on the admission based on the candidate's overall academic career and CV.

A ranking list will be drawn up of non-EU citizens not residing in Italy to be used if the number of eligible candidates exceeds the number of places available (56).

Further information on the Master's degree course at:

www.unipd.it/en/human-rights-and-multi-level-governance

For general enquiries about the course, please contact: MA.humanrights@unipd.it

SCHOOL OF ECONOMICS AND POLITICAL SCIENCES SECOND-CYCLE DEGREE COURSE IN ENGLISH “BUSINESS ADMINISTRATION”

Curriculum

- Accounting and Finance • Management

Available places

- open access with requisites for EU and non-EU citizens legally staying in Italy;
- 30 places available for non-EU citizens residing abroad; of these, 5 places are reserved for Chinese students on the Marco Polo Programme.

Curricular requirements and adequate educational background

Candidates wishing to enrol in the second-cycle degree course in “Business Administration” are expected to hold a degree or a three-year Italian *Diploma Universitario* or other qualification earned in Italy or abroad recognised by the current legislation and they must:

- meet specific minimum curricular requirements (30 CFU with knowledge in one or more of the following areas: business administration, economics and business management, corporate finance, corporate organization, financial brokerage economics; 10 CFU in economics, economic policy or public finance; 10 CFU in Mathematics, statistics or econometrics);
- have knowledge, competences and skills in the “economic-corporate”, “economic” and “legal” area. More specifically, they must be sufficiently proficient in the following disciplines:

- ✓ Business administration
- ✓ Microeconomics and macroeconomics
- ✓ Accounting
- ✓ Management control
- ✓ Corporate organization
- ✓ Economics and business management
- ✓ Marketing
- ✓ Commercial Law.

The assessment of the curricular requirements, as well as the evaluation of the candidates' educational background, is carried out by a Commission made up of the chairman (or its delegate) of the Degree Course Teachers' Council, a member to be designated by the Degree Course Teachers' Council and a member to be designated by the relevant Department

In assessing candidates, the Commission will take into account the skills they have acquired in disciplinary areas similar or comparable to the ones identified above; whenever necessary, the Commission may also ask candidates for an interview that may be conducted over the internet.

At the end of the assessment process, the Commission will decide whether or not the candidate meets curricular requirements and has an adequate educational background; a merit list will be drawn up only for non-EU citizens residing abroad. This list will solely to be used in the event that the number of eligible candidates exceeds the number of places available.

Further information on the degree course at: www.unipd.it/en/business-administration
For general enquiries about the course, please contact: admission.economia@unipd.it

SCHOOL OF ECONOMICS AND POLITICAL SCIENCES SECOND-CYCLE DEGREE COURSE IN ENGLISH “ECONOMICS AND FINANCE”

Curriculum

●Banking and Finance ●Economics and Public Finance

Available places

- open access with requisites for EU and non-EU citizens legally staying in Italy;
- 30 places available for non-EU citizens residing abroad; of these, 5 places are reserved for Chinese students on the Marco Polo Programme.

Curricular requirements and adequate educational background

Candidates wishing to enrol in the second-cycle degree course in Economics and Finance are expected to hold a degree or a three-year Italian *Diploma Universitario* or other qualification earned in Italy or abroad recognised by the current legislation and they must:

- meet specific minimum curricular requirements (12 CFU with knowledge in one or more of the following areas: Accounting and/or Management; 16 CFU in Economics; 22 CFU in Mathematics, and/or Statistics and/or Econometrics);
- have knowledge, competences and skills in the ‘economic’, ‘corporate’, ‘quantitative’ and ‘legal’ area.

More specifically, they must be sufficiently proficient in the following disciplines:

- ✓ Microeconomics and Macroeconomics
- ✓ Mathematics for economics
- ✓ Statistics and Economic Statistics
- ✓ Business Administration
- ✓ Theory of Finance and Corporate Finance
- ✓ Financial brokerage Economics.

Candidates are expected to have already acquired good command of the English language and the ability to use the main IT tools (word processors, spreadsheets, database design and management, presentation tools).

The assessment of the curricular requirements, as well as the evaluation of the candidates' educational background, is carried out by a Commission made up of the chairman (or its delegate) of the Degree Course Teachers' Council, a member to be designated by the Degree Course Teachers' Council and a member to be designated by the relevant Department.

In assessing candidates, the Commission will take into account the skills they have acquired in disciplinary areas similar or comparable to the ones identified above; whenever necessary, the Commission may also ask candidates for an interview that may be conducted over the internet.

At the end of the assessment process, the Commission will decide whether or not the candidate meets curricular requirements and has an adequate educational background; a merit list will be drawn up only for non-EU citizens residing abroad. This list will solely to be used in the event that the number of eligible candidates exceeds the number of places available.

Further information on the degree course at: www.unipd.it/en/economics-and-finance

For general enquiries about the course, please contact: admission.economia@unipd.it

SCHOOL OF ECONOMICS AND POLITICAL SCIENCES SECOND-CYCLE DEGREE COURSE IN ENGLISH “ENTREPRENEURSHIP AND INNOVATION”

Available places

- open access with requisites for EU and non-EU citizens legally staying in Italy;
- 30 places available for non-EU citizens residing abroad; of these, 5 places are reserved for Chinese students on the Marco Polo Programme.

Curricular requirements and adequate educational background

Candidates wishing to enrol in the second-cycle degree course in Entrepreneurship and Innovation are expected to hold a degree or a three-year Italian *Diploma Universitario* or other qualification earned in Italy or abroad recognised by the current legislation and they must:

- meet specific minimum curricular requirements (18 CFU with knowledge in one or more of the following areas: business administration, economics and business management, corporate finance, corporate organization, financial brokerage economics; 12 CFU in economics, economic policy or public finance; 10 CFU in Mathematics, statistics or econometrics; 6 CFU in private law, public law, commercial law or international law)
- have knowledge, competences and skills in the “economic-corporate”, “economic” and “legal” area. More specifically, they must be sufficiently proficient in the following disciplines:

- ✓ Business administration
- ✓ Microeconomics and macroeconomics
- ✓ Economics and business management
- ✓ Corporate organization

The assessment of the curricular requirements, as well as the evaluation of the candidates' educational background, is carried out by a Commission made up of the chairman (or its delegate) of the Degree Course Teachers' Council, a member to be designated by the Degree Course Teachers' Council and a member to be designated by the relevant Department.

At the end of the assessment process, the Commission will decide whether or not the candidate meets curricular requirements and has an adequate educational background; a merit list will be drawn up only for non-EU citizens residing abroad. This list will solely be used in the event that the number of eligible candidates exceeds the number of places available.

Further information on the degree course at: www.unipd.it/en/entrepreneurship-innovation
For general enquiries about the course, please contact: admission.economia@unipd.it

SCHOOL OF ENGINEERING SECOND-CYCLE DEGREE COURSE IN ENGLISH “ENVIRONMENTAL ENGINEERING”

Available places

- open access with requisites for EU and non-EU citizens legally staying in Italy;
- 15 places available for non-EU citizens residing abroad; of these, 3 places are reserved for Chinese students on the Marco Polo Programme.

Curricular requirements and adequate educational background

Applicants are expected to meet specific curricular requirements and have the following knowledge, specific skills and abilities:

- Adequate knowledge in basic subjects such as mathematical and numerical analysis, linear algebra and geometry, chemistry and physics, in addition to the subjects specific to the degree course such as hydraulics, hydraulic engineering and hydrology, environmental health engineering, construction and geotechnical engineering;
- Ability to use the methodological and operational aspects of mathematics and other basic sciences to interpret and describe engineering problems, in addition to describing engineering issues to safeguard the territory, setting up and conducting experiments analysing and interpreting the data obtained, and to understanding the impact of engineering solutions on the social and physical-environmental context;
- ENGLISH language at a B1 level;
- degree classification equivalent to at least 84/110; should it not be possible to assess the foreign degree classification compared with the Italian standard, the Commission will assess admission based on criteria set by the Joint Degree Course Teachers' Council.

Curricular requirements will be assessed by the Assessment Commission.

At the end of the assessment process, the Commission will decide whether or not the candidate meets curricular requirements and has an adequate educational background; a merit list will be drawn up only for non-EU citizens residing abroad. This list will solely be used in the event that the number of eligible candidates exceeds the number of places available.

Further information on the degree course at: www.unipd.it/en/environmental-engineering
For general enquiries about the course, please contact: didattica@dicea.unipd.it

**SCHOOL OF ENGINEERING
SECOND-CYCLE DEGREE COURSE IN ENGLISH
“ICT FOR INTERNET AND MULTIMEDIA”**

Curriculum

- Telecommunications • Cyber-systems • Photonics • Life&Health

Available places

- open access with requisites for EU and non-EU citizens legally staying in Italy;
- 15 places available for non-EU citizens residing abroad; of these, 1 place is reserved for Chinese students on the Marco Polo Programme.

Curricular requirements and adequate educational background

Applicants are expected to meet specific curricular requirements certifying:

- mastery of general methods and scientific contents of information engineering, in particular: mathematics, calculus, and matrices; computer science and programming; Fourier analysis; statistics of random variables and processes;
- basic competences in telecommunications, in particular: networks and systems for information processing, storage and transmission;
- general problem solving skills, also in multidisciplinary contexts
- ENGLISH language at a B1 level;
- degree classification equivalent to at least 84/110; should it not be possible to assess the foreign degree classification compared with the Italian standard, the Commission will assess admission based on criteria set by the Joint Degree Course Teachers' Council.

Curricular requirements will be assessed by the Assessment Commission.

At the end of the assessment process, the Commission will decide whether or not the candidate meets curricular requirements and has an adequate educational background; a merit list will be drawn up only for non-EU citizens residing abroad.

This list will solely to be used in the event that the number of eligible candidates exceeds the number of places available.

SCHOOL OF HUMAN AND SOCIAL SCIENCES AND CULTURAL HERITAGE SECOND-CYCLE DEGREE COURSE IN ENGLISH “LOCAL DEVELOPMENT”

Available places

- open access with requisites for EU and non-EU citizens legally staying in Italy;
- 15 places available for non-EU citizens residing abroad; of these, 1 place is reserved for Chinese students on the Marco Polo Programme.

Curricular requirements and adequate educational background

Applicants are expected to meet specific curricular requirements:

- a sufficiently high level of English to attend courses taught in English, i.e. at least B2 level.
- essential competencies in social and human sciences.

Admission to the second-cycle degree course depends on assessment by the Teaching Commission which ensures that the minimum knowledge and competencies are met as admission criteria. The Commission will also take into account the candidate's reasons and soft skills (the ability to work in multicultural contexts and teams).

Should it not be possible to assess the degree classification or determine whether the minimum credits required are present, the Commission will assess directly the candidate's curriculum and may request an interview, which may be conducted over the internet, to check the candidate's competencies and reasons.

At the end of the assessment process, the Commission will decide whether or not the candidate meets curricular requirements and has an adequate educational background; a merit list will be drawn up only for non-EU citizens residing abroad. This list will solely to be used in the event that the number of eligible candidates exceeds the number of places available.
