

Information for International Exchange Students

Dear International Student,

Thank you for choosing Clermont School of Business as your exchange destination. The International Team, administrative staff and faculty look forward to welcoming you to our school in January.

Please find the enclosed our information package including the international student guide (available in French and English) which includes find information about the school, administrative formalities, and practical information. You will also find the academic calendar, and course offerings for exchange students.

The link to the application form for International Exchange Students is as follows:

<https://www.esc-clermont.fr/en/join-esc-clermont-business-school/>

Please select the link “You are from a Partner Institution” (The other link is not for exchange students and requires an application fee)

You are from a Partner Institution
You must be officially nominated as a
our partner institution

The deadline for submitting your documents is the **10th November 2024.**

IMPORTANT: ***No application will be accepted unless we have received an official nomination from a partner institution.***

You will find the following documents enclosed with this email:

- **ESC Factsheet**
- **International Student Handbook**, which is available in English and French (containing important information regarding visa formalities, health insurance and accommodation)
- **Course offerings** Excel File (you can apply filters according to tracks, programs, and language of teaching)
- **Learning agreement** (For all Erasmus and credit-seeking students) to be completed with the courses you intend to follow). This document should be signed by your home institution and your faculty advisor (see the International Student Handbook for more details) and the final validated version returned to me before the **18th November 2024.**
