

LATEST EDITIONS OF SOME SELECT INCLUSIVITY INITIATIVES AT RAJAGIRI BUSINESS SCHOOL, COCHIN, INDIA

Inclusivity Sessions During Induction

Inclusivity is a major theme during the 3 Day Induction / Orientation for the fresh students who join Rajagiri every year. This year there were two major speakers who represented the two most important minority community. Dr. Madhumitha Gomathinayagam from the Transgender community represented the minority gender. She is the first HR Manager in India from the Transgender community. She is the HR Manager of Avacend Solutions Pvt. Limited. She explained about the hardships that she faced in her life and how she came up in her life. She stressed the importance of being inclusive during the studies and also in their professional life. Another speaker was Mr. Muhammed Asif Iqbal, the Principal, Associate Director, HR Consulting at PriceWaterHouseCoopers, (PWC) India. He is 100% blind and he represented the differently abled community. These sessions every year in the beginning of the academic year itself, keep encouraging our students to be inclusive in all their activities and initiatives.
